

internal_get_rank

```
graph LR; A[internal_get_rank] --> B["gtdata_internal_map::map_lookup"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'internal_get_rank'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'gtdata_internal_map' on the top line and '::map_lookup' on the bottom line.
